

17<sup>th</sup> January 2018

Dear Parents/Carers

As you are aware from the School Calendar and Newsletter on Wednesday 7<sup>th</sup> February we are holding the Year 8 and 9 Academic Review Day. Only students from these two year groups (who are expected to attend pre-booked meetings with their parents) are expected to attend school on this day.

Students from year groups 7, 10 and 11 are not expected to attend school on the 7<sup>th</sup> February unless they have been specifically invited to attend an intervention session.

During the day students should complete home study and independent work. Students in Year 7 and 10 should revise using their knowledge booklets and complete previously set homework as well as completing vocabulary practice using Bedrock and Maths practice on My Maths. Students from Years 11, 12 and 13 should continue with their ongoing revision using revision materials to prepare themselves for upcoming examinations.

The school calendar has been arranged to meet the statutory requirements of learning hours.

Thank you for your support of this important review day and your understanding of the school's closure for some year groups.

Yours sincerely

Ms B Honor
