

Marriotts Weekly News

Aim high. Work hard. Be kind.

8th May 2018

Dear Parents and Carers

This is the first edition of our new weekly news and rewards update. I hope you all had a fantastic Bank Holiday weekend and enjoyed the weather.

We have had a busy few weeks at Marriotts as we prepare Year 11, 12 and 13 classes for their final examinations and Year 10 Work Experience is fast approaching.

As we move into the summer months please ensure students carry a bottle of water with them and thank you for your support for ensuring students are in correct uniform with no headphones or mobile phones used during the school day.

Enjoy the rest of your week.

Kind regards

Beth Honnor
Headteacher

Achievements this week

FA People's Youth Cup Final

We would like to share some fantastic news with you regarding Megan in Year 9, and her team mates who, at the end of April, won the FA People's Youth Cup Final. This event was filmed by BBC Sport. The FA People's Youth Cup Final is a prestigious event that is recognised across the whole of the UK. By winning this evening this makes Megan, her team mates and Stevenage the number one ranked team in the UK. The team won this amazing event at the home of England's headquarters in St George's Park in Burton on Trent. The competition was entered by over 1,800 teams from around Britain. This is an incredible achievement for both Megan and the school who she represented impeccably. The team only conceded 1 goal in the games, which included the final across all 8. We would like to congratulate Megan, who was the leading scorer in the competition and who scored the only goal in final, which was broadcast live on the BBC.

Congratulations and well done Megan: Aim high, Work hard, Be kind.

Maths Challenge

A group of Year 8 students attended the Maths Challenge event at Barclay School earlier this week. On this occasion we entered 2 teams. The competition started positively but by the half way point, unfortunately, one of our teams was not placed. However, the other team came third overall and will go on to compete with the rest of the winners from the other heats.

The students behaved fantastically well and worked brilliantly in their teams: they worked hard and really did the school proud.

Congratulations to: Ethan, Jamie, Grace, Freya, Louis, George, Jason and Nikola.

It was a very positive event and everyone had a great time.

Rounders

We have had a great start to the Rounders season. Yesterday a number of teams played against The Nobel School with results below:

Year 7 - lost 6 - 2 1/2
 Year 8 - won 9 1/2 - 9
 Year 9 - won 12 1/2 - 2 1/2
 Year 10 - lost 7 1/2 - 7

Congratulations and well done to all.

Rewards and Recognition

Teachers regularly issue Achievement Points to students who are **Aiming High, Working Hard or Being Kind**. Rewards and recognition of achievement are given out by Achievement Points each week and we would like to congratulate the following students who have received Green Slips recorded between 23rd to 27th April.
