Marriotts Weekly News

Aim high. Work hard. Be kind.

10th May 2019

Dear Parents, Carers, Students and Families

I hope that you are well and had a great bank holiday weekend.

As we enter the busy exam season, it has been great to see the exemplary way our students have conducted themselves around the exam areas in support of their peers.

Year 11 have been working very hard in advance of their examinations and it was great to see so many students attending our after school and weekend interventions. It has been a busy couple of days in the Art department as students sat their final exam. The students have worked incredibly hard and we are so proud of all they have achieved. Thank you again to all staff who have supported with these examinations particularly the Art team and the admin team who ensured things ran smoothly.

This week, all Year 11 students received individual good luck cards from members of staff with personal messages of support and encouragement. I am sure you will all join with me in wishing all our Year 11 and 13 students' success in their forthcoming examinations.

Kind regards

Ms B Honnor
Headteacher

Cultural Capital Assemblies

During assembly this week students have listened to the increasingly important issues surrounding climate change. We talked about how as individuals we can all make a positive contribution to reduce our carbon footprint and begin to tackle the enormous problem that is facing us all. It would be great if you could talk about ways you could reduce the carbon footprint in the home and the difference we can all make.

Word of the Week

As part of the school's drive to advance the reading skills of every student we are focusing on broadening vocabulary by teaching key academic words explicitly in class. To support this, we have introduced a 'Word of the Week' (WOW) that features key, high-frequency words used by all faculties across the school. The aim is to use these words as much as possible to ensure that the precise meaning is embedded to allow students to use these words accurately in academic writing and talk in their subjects.

Please support your child and the school by using this word at home and challenging your child to use it accurately.

The WOW for w/c Monday 13th May is: identify

1. Establish what someone or something is e.g. The teacher identified the girl as a student at her school.

2. To feel connected to or have strong links with e.g. She identifies with the feminist movement.

Rewards and Recognition

Teachers regularly issue Achievement Points to students who are **Aiming High, Working Hard or Being Kind.**

Rewards and recognition of achievement are given out through Achievement Points, which are given each week we would like to congratulate the following students who have received Green slips.

Green Slips

We would like to congratulate the following students who have received a Green Slip up to 10th May.

	Year 7		Year 8		Year 9		Year 10
Lucian	7A	Chloe	8A	Justin	9C	Lorenc	10A
